School Philosophy and Statement of Faith

MISSION STATEMENT

CCU is an evangelical Christian community of educators and scholars who seek to advance the work of God in the world through a distinctly Christian approach to ministry and leadership, focusing on Simply Jesus, Superior Academics and Servant Leadership.

PHILOSOPHY OF EDUCATION

Expected Student Learning Results

“Not by might, nor by power, but by My Spirit, says the Lord.”
Zechariah 4:6

To achieve the above mentioned purpose, CCU seeks to accomplish the following objectives:

1. To under gird students in the fundamentals of the Christian faith, and to stimulate them to evaluate knowledge in the light of scriptural truth.
2. To encourage growth in Christian character in each student, and to help the student accept responsibility in faithful Christian service.
3. To increase the student’s awareness of the world of ideas and events which are influencing our contemporary culture, and to prepare the student to knowledgeably participate in our society.
4. To enable the student to develop sound critical and analytical reasoning.
5. To provide sufficient opportunities for students to become part of a vibrant fellowship of believers.
6. To offer opportunities for academic specialization and practical preparation for graduate study, and to assist the student in selecting and preparing for a vocation.
7. To foster the student’s appreciation of the participation in wholesome vocational and cultural activities.
8. To provide an avenue for selfless, Christ-like service to others.
9. To develop and encourage healthy interpersonal relationships.
10. To train up godly leadership, hungry to live the obedient life in Christ by faith for the glory of God.

STATEMENT OF FAITH

- We believe the Bible to be the inspired, the only infallible, authoritative work of God.
- We believe that there is one God, eternally existent in three persons—Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood on the cross, in His burial and bodily resurrection on the third day, in His ascension to the right hand of the Father. We believe in His second coming in power and glory.
- We believe in the fall and consequent total moral depravity of humanity, resulting in our exceeding sinfulness and lost estate and necessitating our regeneration by the Holy Spirit.
- We believe that repentance from sin and acceptance of Jesus Christ as Lord and Savior is the only way to salvation.
- We believe in the ministry of the Holy Spirit through the exercise of His power in believers today through His gifts.

- We believe in the resurrection of the saved and the lost: those who are saved to the resurrection of life and those who are lost to the resurrection of judgment. We believe it is important to uphold the Scriptural practices of the early church. Therefore, we hold to the practice of water baptism and the regular taking of communion. We believe that they serve as a demonstration of our living faith in Christ.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.

The following are fundamentals held to be essential, and CCU expects students and staff not only to believe in them, but to practice them in daily living:

- Caring, effective love both of God and humankind
- A Christ-like unity and acceptance among believers
- A lifestyle dedicated to God's will in society
- A growing, victorious state of mind because of the indwelling Christ
- A daily affirmation of Christ as Lord
- A willingness to serve the Lord, even if it means sacrifice
- A desire to be more sensitive to the personal work of the Holy Spirit
- A working faith in God's promises for all needs and daily life situations
- A witness for Christ without hypocrisy
- A firm, committed desire to become more Christ-like
